Gentlemen:

Your minutes of the Master Plan meeting held on 24 July 1981 are hereby approved with the following corrections:

1. Item #2, change "relief" to read "morning and evening."
2. Item #5, change the first sentence to read, "The nursery to the southeast is operated by GSA."
3. Item #6, change "definitely" to read "partially."
4. Item #9, Security has advised their preference for the main gate to be located at the Route 123 access road.
5. Item #14, add "security requirements, logistics, and organizational flexibility" to the list of reasons for consolidated facilities.
6. Item #16, add to the last sentence "unless proper screening is retained."
7. Item #19, we are unclear as to the "future recreational development." Please advise any information you have on the subject.
8. Item #21, revise to read, "Route 193 cannot presently be widened because it is a Historic Byway from Route 123 to Great Falls."
9. Distribution, change
